

PPE WASTE STREAM SOLUTIONS

ENCOURAGE PROPER

DISPOSAL OF PPE

Equip your facility with Utility Refuse containers with a **dedicated PPE (personal protective equipment) waste stream** to help patrons and employees effectively dispose of masks and gloves.

VISUAL CUES

Waste stream icon and verbiage encourage proper disposal of PPE.

COLOUR-CODED

Separate color creates consistent visual cue for patrons and staff.

TOUCH-FREE DISPOSAL

Pair with an open top container for touch-free disposal of waste.

PPE WASTE STREAM SOLUTIONS

BUILD A CUSTOMISABLE SLIM JIM® RECYCLING STATION

- 1 Select the Slim Jim® Recycling Station Starter Kit. You will need as many starter kits as streams you want in your stations.

KITS	SKU
STARTER KIT (BASE, LID AND CONNECTOR)	2007913

- 2 Choose a Lid Insert for each base. Choose your colour and opening type.

COLOUR

OPENING TYPE
